

AI Leadership Training Act

S.1564, 118th

REPORTED OUT OF COMMITTEE

Sen. Peters (D-MI)
Workforce & access · U.S. Senate

HOW FAR IT WAS CARRIED

BACKGROUND

A companion to the accountability structure: the officials made responsible for AI decisions need to be trained for them. This bill directs the Office of Personnel Management to run an AI training programme for federal supervisors and managers, covering benefits, risks and governance duties. It was reported out of committee with a filed report, S.Rept. 118-109.

KEY PROVISIONS

- Directs OPM to establish an AI training programme for federal supervisors and managers.
- Requires coverage of the risks and limitations of AI systems, not only their uses.
- Requires instruction on the governance duties attaching to deployment decisions.
- Requires periodic refresh as capabilities change.
- Requires reporting on participation and coverage.
